#Making memories

UNDER THE SEA

Year 1

September 2018

Our first topic in Year One is 'Under the Sea'.

We will be learning about different sea creatures and underwater life. We will read stories relating to the topic and non-fiction texts to learn new facts.

We are also learning about Autumn. If you find any signs of Autumn, please bring them in!

Show and Tell

In Year 1, for the first half term, Show and Tell will be every Thursday. We ask that your Show and Tell items are either linked to the topic or are a celebration of achievement e.g. certificates or medals etc.

Please make sure that your child is able to talk about and answer questions about their item.

Library books: On a Tuesday, we visit the library. Your child will then bring a library book home to share. Please make sure your child returns the book the following Tuesday. If the book is not returned then a new one will not be issued and fines may occur.

CHALLENGE

- Can you create an under the sea scene?

Be creative! :)

PE

We have PE on a Monday (indoor) and a Thursday (outdoor). All children must have correct PE kit. Earrings must be removed and hair should be tied back. Please ensure your child has the correct kit and that it is all labelled.
