FIRE! FIRE!

Year 2

January 2019

This half term Year 2 will be finding out about the Great Fire of London. We will develop our research and questioning skills, investigating how the fire started, why it spread so quickly and why it lasted so long. In Science, we will be making our own observations about the properties of different materials and consider how each material can be used. This will help us to form opinions about which materials would be best for rebuilding houses in London. In Art we will create a firescape. We will also design and make a fire engine in DT using axles.

DATES FOR YOUR DIARY

Tuesday 22nd January - Year 2 SATs evening

Friday 1st February - Newts Class Assembly

13th and 14th February – Parents evening

Friday 15th February - Learning Fair 2:15-2:30pm

REMEMBER TO BE E-SAFE

We will be reading:

A selection of non fiction books about the Great Fire of London

Newspapers

Extracts from Samuel Pepys' diary

CHALLENGES

- ♦ Can you find objects around your home and investigate what materials they are made from?
