DOWN ON THE FARM AND SPRING

Year 1

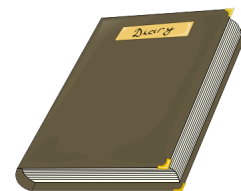

March 2019

This half term our topic is 'Down on the Farm'. We will be learning about farm animals and the role of a farmer in the community. We will be looking at where our food comes from and linking this with DT in which we will be making soup! We will be visiting a working farm and the children will have a chance to feed and pet the animals. Children will be learning the names of animals and their young, their produce and facts about the animals. We will also be learning about spring and the changes from winter.

Dates for the Diary!

Friday 29th March
Pondskaters' Farm Visit
Thursday 4th April
Sticklebacks' Farm Visit
Friday 5th April
Last day of Spring Term

Library

We visit the school library every **TUESDAY**. Please ensure that library books are returned every week. We encourage the children to take out books that they are able to read themselves. However, sometimes the children find a book of interest that is really too hard for them to read. Please support their choice by reading their chosen book to them. Thank you

CHALLENGES

- Do you know where your food comes from?
- Can you make a poster about different foods and where they come from?
